The World's Most Practical Pre-Marriage Assessment

A great wedding doesn't just happen – neither does a great marriage. Preparing for a strong and passionate marriage is one of the most important things you'll ever do.

More than a million couples have used the award-winning Saving Your Marriage Before It Starts (SYMBIS for short). Now, through the new SYMBIS Assessment, we can help you prepare for lifelong love like never before.

Plus, it's fun. You just need to answer a few simple questions online, and we'll take care of the rest. We'll review with you your customized roadmap for lifelong love.

YOU'LL DISCOVER

Your Money Methods

Kick financial friction to the curb and ensure you realize your shared dreams together.

Your Fight Types

Discover your “hot topics” and the secret of leveraging conflict for a stronger relationship.

Your Love Life

Cultivate deeper intimacy and enduring passion for a lifetime of pleasure and fulfillment.

Your Personalities

Unpack your unique personality dynamics, not only as individuals but more importantly as a couple.

Your Talk Styles

Crack the code for deep and meaningful conversations to enjoy heartfelt and lasting connections.

Your Deepest Longing

Create your ultimate soul-to-soul connection and discover how to infuse your relationship with meaning.

How It Works

Once you sign up for SYMBIS and pay the \$50 fee, we send both of you a unique link to the assessment. Your responses are used to create a personalized, 17–page report.

With your custom report in hand, we schedule 4 to 6 personal sessions to go through it together with you. The number of sessions depends on the length of each one and on how much and how deeply you want to dig into each section of the report.

Meet Your Facilitators

Randy & Julie Watson are high school sweethearts, married for 33 years and together for 40. They have four children ranging from 29 to 17 years old, and one grandson. Two of their children are adopted from China, where the Watson's lived for several years. They also lived in Belgium prior to that.

Randy is a second career pastor at Branches Church in Loveland, after being called out of a 30–year career as an R&D chemist. He loves bringing that same experimental approach and rigorous search for truth to his ministry.

Julie has been a stay-at-home mom with all her children and now has the privilege of caring for her grandson during the day. She has a passion for women's ministry and helping women fulfill their callings. They are passionate about counseling couples with biblical wisdom towards healthy and thriving marriages. They are avid outdoor adventurers and enjoy rock climbing, wilderness backpacking, and just generally being together outside.
